

Marion Vieweg

Leberstr. 35

10829 Berlin | Germany

Date of birth | 04 November 1971

Place of birth | Aschaffenburg, Germany

Nationality | German

KEY QUALIFICATIONS

- Sound knowledge on mitigation options in developed and developing countries
 - at the technological level,
 - related to enabling frameworks, and
 - on climate finance,with a focus on the transport and energy sectors
- Excellent knowledge of MRV of developing countries under the UNFCCC, especially on the preparation of biennial update reports (BURs) and the international consultation and analysis (ICA) process and the Enhanced Transparency Framework under the Paris Agreement
- In-depth experience in evaluation and quantification of energy and climate policy, institutional frameworks and barriers
- Ability to link the climate change debate with the sustainable development agenda
- In-depth experience in international climate negotiations
- Member of the MRV expert group of the GIZ Transfer Project on climate-friendly transport technologies and measures
- Member of the Technical Working Groups for 'Transformational Change' and 'Transport' of the Initiative for Climate Action Transparency (ICAT)

SKILLS

- Excellent analytical skills spanning from policy to data analysis
- Convincing presentation and communication of results
- Engaging facilitation of workshops and trainings
- Results oriented development of deliverables
- Fast learning and high flexibility
- Track record of successfully managing projects with international teams
- Ability to work under pressure and keep deadlines

WORK EXPERIENCE

- Since
Aug. 20 **move2change gGmbH**, Berlin (www.move2change.ngo)
Co-founder & Director
- Since
Feb. 14 **Current Future**, Berlin (www.current-future.org)
Founder
- Since
Aug. 14 **SQ Consult**, Amsterdam (www.sqconsult.com)
Senior Associate
- April 15 -
Dec. 15 **UNFCCC Secretariat**, Bonn
Programme Officer (P3), ICAS unit
- Responsible for the CGE training programme for experts willing to participate in the teams of technical experts (TTE) for the technical analysis of biennial update reports of non-Annex I countries
 - Conversion of existing training materials into an online training course
 - Supporting the teams of technical experts in conducting the first rounds of technical analysis
- Feb. 11 -
Jan. 14 **Climate Analytics**, Berlin
Policy Advisor
- Leading the Climate Action Tracker team and providing analysis on commitments and actions of countries
 - Supporting negotiators from Least Developed Countries and Small Island Developing States
- June 08 -
Nov. 10 **Ecofys**, Cologne
Consultant International Climate Strategy
- Various analyses related to the international climate negotiations on 'sectoral approaches' and 'Nationally appropriate mitigation actions (NAMAs) for developing countries
 - Focus on climate policy evaluation: low carbon scenarios; policy comparison and evaluation; policy recommendations
- Oct. 06 -
Jan. 08 **Freelance Consultant** and Project Manager in the area of process design and SAP Application
- May 02 -
Sept. 06 **itelligence AG**, Bielefeld
Senior Consultant
- Process redesign
 - SAP R/3 implementation with a focus on sales, distribution and transport
 - Training of team members and end users
 - Project management
 - Sales support in workshops and presentations
- March 99 -
May 01 **Fair Trade Labelling Organisations International (FLO)**, Bonn:
Harmonisation Coordinator
- Development of harmonised standards and monitoring tools for Fairtrade

- Coordination of the international harmonisation working group
- Fundraising, management of the budget and reporting to donors
- Organisation of workshops and consultation
- Inspection of small scale honey producer cooperatives

Monitoring Responsible for Coffee

- Contact person for producer groups from Mexico and Costa Rica
- Coordination of inspection of producer groups by local consultants
- Member of the Coffee Register

Feb. 92 - **Trainee** with the "Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ)
April 92 GmbH", Eschborn.

EDUCATION

Oct. 06 - **Energy Management (M.Sc.)** University of Koblenz / Landau with a focus on:
March 09

- Renewable energy technologies
- International and national (German) climate and energy policy
- German energy law

Oct. 91 – **Agricultural Economics (Dipl. Oec.)** at Hohenheim University with a focus on:
Feb. 99

- Macroeconomics
- Agricultural Economics of the Tropics and Subtropics
- Student Exchange (1 year) at University of Guelph, Ontario, Canada with the focus on:
 - Environmental Economics
 - International Development
 - Program Evaluation

Sept. 77 - Primary and High school (Abitur - Pestalozzi-Gymnasium Biberach an der Riß)
May 90

LANGUAGES

German: Mother tongue
English: Excellent
Spanish: Conversational

SELECTED RESEARCH AND CONSULTING ASSIGNMENTS

2023-24	Coordination of Technical Analysis of BURs and Review of NCs/BRs. For the UNFCCC.
2023	Author for the Transport and Climate Change Global Status Report 2023, chapter Transport Energy Sources. For SLOCAT.
2022-23	Design of training materials for mitigation analysis and reporting. For the UNFCCC.
2022	Update 2022 of the analysis of G20 ambition in the transport sector. For Agora Verkehrswende.
2022	Proposal preparation for "Energy Storage for Renewable Energy Integration in India – StoREin" under the German International Climate Initiative. For GIZ, India.
2020-24	Technical support to the NDC-TIA Council for Decarbonising Transport in Asia. For GIZ, Germany.
2021	Reforming fossil fuel subsidies and scaling up renewables in transport. For SLOCAT.
2020-21	Options for Integrated Measurement, Reporting and Verification (MRV) Framework and System for the Energy Sector and for the National MRV System and Criteria for Large GHG Emission Sources in Vietnam. With SQ Consult for WB PMR.
2020	Analysis of 'Renewable Energy Pathways in Road Transport' (2020). For REN21 and FIA Foundation.
2019-21	Coordination of Technical Analysis of BURs and Review of BRs. For the UNFCCC.
2020	Project concept development in the energy sector for Vietnam under the German International Climate Initiative. For GIZ, Vietnam.
2019-20	Design and delivery of a Technical Training Workshop on GHG emissions quantification and prioritizing policies, actions and measures in the transport sector. Nairobi, Kenya 11-13 February 2020. For the UNFCCC and GIZ, Germany.
2019-20	Supporting the "Advancing Transport Climate Strategies" project. For GIZ, Germany.
2019	Training workshop for aligning GCF investments with the Paris Agreement. For the GCF, Republic of Korea.
2018-19	Analysis of reporting of non-Annex I Parties. For the UNFCCC.
2018-19	Development of the proposal for the 'NDC transport initiative for Asia' under the German International Climate Initiative. For GIZ, Germany.
2018	Update 2018 of the analysis of G20 ambition in the transport sector. For GIZ and Agora Verkehrswende with REN21, Germany
2018	Coordination of Technical Analysis of BURs and Review of NCs/BRs. For the UNFCCC.
2017-18	Review and update of Viet Nam's Nationally Determined Contribution. For GIZ Vietnam.
2017-18	Development of a guidebook on verification and accreditation for carbon pricing instruments. With SQ Consult for WB PMR.
2017	Facilitation of a capacity-building workshop and expert-led exchange for the Country Programming Division of the Green Climate Fund, Songdo, Rep. of Korea.
2017	Analysis of G20 ambition in the transport sector. For GIZ and Agora Verkehrswende, Germany.
2017	Implementation of Future GHG Mitigation Goals: Framework Conditions and Transformative Challenges in Selected Focus Countries. Country study Viet Nam. For New Climate Institute.

- 2017 Consultancy to support the development of technical analysis tools for the implementation of the international consultation and analysis (ICA) process. For UNFCCC.
- 2016-18 Evaluation of the UK Climate Investment Pilot. With SQ Consult for BEIS, UK.
- 2017 Evaluation of the Global Climate Partnership Fund. With SQ Consult for BEIS, UK.
- 2017 Support for the development of technical analysis tools for the implementation of the international consultation and analysis (ICA) process. For the UNFCCC.
- 2016-17 Supporting development of the UNFCCC baseline and monitoring compendium - transport volume. For GIZ, Germany.
- 2016-17 Development of a guidebook and a FAQ document for GCF proposal writing. For GIZ, Germany.
- 2016-17 Background paper on the provision of financial, technological and capacity-building (FTC) support for the 4th lead reviewers' meeting in March 2017. For the UNFCCC.
- 2017 Training session for international journalists on nationally determined contributions (NDCs) to the Paris Agreement. With Ecologic for the German Foreign Affairs Office.
- 2016 Review of Viet Nam's INDC and the plan for implementation of the Paris Agreement. For GIZ, Vietnam.
- 2016 Development of training material on reporting of domestic MRV arrangements in BURs. For the UNFCCC.
- 2015 Supporting the government of The Gambia in developing their intended nationally determined contribution (INDC). With Climate Analytics for GIZ, Germany.
- 2014 Development of training material on the GHG Protocol Policy and Action and Mitigation Goals Standards. World Resource Institute, Washington.
- 2014 Development of training material on mitigation actions for the technical team of experts (TTE) for the ICA process under the UNFCCC. For the Consultative Group of Experts.
- 2014 Contribution to the Reference Document for MRV in the transport sector under the TRANSfer project. For GIZ, Germany.
- 2012-14 Development of the GHG Protocol Standard for Quantification of Mitigation Policies and Actions. Lead author. World Resource Institute, Washington.
- 2011-14 Climate Action Tracker: assessment and quantification of pledges made under the UNFCCC and consequences for global temperature. Assessment of national policies and current trend pathways.
- 2013 Transformational change: background papers on the operationalization of the concept for the Green Climate Fund for the German Development Bank (KfW).
- 2012-13 Negotiation support for the Least Developed Countries for the UNFCCC negotiations. Funded through the International Climate Initiative of the German Ministry of the Environment (BMU ICI).
- 2012 German Fast Start : Lessons Learned for Long-Term Finance. For GIZ, Germany.
- 2011-13 Analysis of pledges of emerging economies: assumptions, potentials, and implementation for the German Environment Agency (UBA).
- 2010 Climate Instruments for the Transport Sector Project: Developing a NAMA example for the optimization of the conventional bus system in Mexico City. For the Inter-American Development Bank (IADB).
- 2009-10 Climate policy tracker for Europe: Evaluating climate relevant policies of all EU member states related to a zero carbon economy in 2050 for the European Climate Foundation and WWF Europe.
